Arizona

Phoenix-Mesa Gateway Airport (IWA)
Overview: IWA is a Small hub

Lactation Accommodations: Unknown
Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:
- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://www.gatewayairport.com/
Airport Twitter: https://twitter.com/gatewayairport
Airport Facebook: https://www.facebook.com/GatewayAirport

Tucson International Airport (TUS)
Overview: TUS is a Small hub

Lactation Accommodations: Lactation suites, part of the Mamava network, are available on both concourses to provide privacy for nursing mothers while breastfeeding or pumping. The 4-foot by 8-foot suites have a locking door, electricity, a fold-down table and bench seating. The suites are meant for individual use but can accommodate a nursing mother, her baby and other children. For passengers departing from the A concourse, the suite is near gate A3. For passengers departing from the B concourse, the suite is at the mid-way point, next to El Charro Café and across from the restrooms

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:
- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://www.flytucson.com/
Airport Twitter: https://twitter.com/TucsonAirport/
Airport Facebook: https://www.facebook.com/TucsonAirport/
Arkansas

Northwest Arkansas Regional Airport (XNA)

Overview: XNA is a Small hub

Lactation Accommodations: Has a “quiet room,” found after security on the left; no further description available

Bathroom Changing Table: Listed as having family restrooms, with no specifications

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: http://www.flyxna.com/

Airport Twitter: https://twitter.com/flyxna

Airport Facebook: https://www.facebook.com/flyxna

Bill and Hillary Clinton National Airport (LIT)

Overview: LIT is a Small hub

Lactation Accommodations: Clinton National Airport offers a Mother’s Nursing Room in the concourse, near gate 3. This private space includes comfortable furniture, a sink, power outlets and a changing table.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://www.clintonairport.com/

Airport Twitter: https://twitter.com/litairport

Airport Facebook: https://www.facebook.com/ClintonNationalAirport/
California

Fresno Yosemite International Airport (FAT)

Overview: FAT is a Small hub

Lactation Accommodations: Fresno Yosemite International Airport features a Mother’s Room, a private area in which mothers can express milk. The Mother’s Room is centrally located post-security screening along the passageway to the airline boarding gates. Amenities include a comfortable seating area, soft lighting, electrical outlets and granite countertop with a sink, all designed to create a nurturing environment for passengers and working mothers.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://flyfresno.com/

Airport Twitter: https://twitter.com/FresnoAirport

Airport Facebook: https://www.facebook.com/FresnoYosemiteInternational

Long Beach Airport (LGB)

Overview: LGB is a Small hub

Lactation Accommodations: Its Mother’s Rooms are located in the main terminal and passenger concourse and have a sink, chair, footrest and table.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: http://www.lgb.org/default.asp

Airport Twitter: https://twitter.com/lbairport

Airport Facebook: https://www.facebook.com/LGBAirport/

Palm Springs International Airport (PSP)

Overview: PSP is a Small hub

Lactation Accommodations: Unknown
Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:
- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://www.palmspringsca.gov/government/departments/aviation-palm-springs-international-airport-psp

Airport Twitter: N/A

Airport Facebook: N/A
Colorado

City of Colorado Springs Municipal Airport (COS)

Overview: COS is a Small hub

Lactation Accommodations: Two family care rooms are located on the main concourse between Gates 4 and 6 and between Gates 8 and 10. Family care rooms provide: direct telephone access to Memorial Hospital HealthLink, baby changing stations, counter space and sink, diaper vending machine and a nursing area.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Twitter: https://twitter.com/COSAirport

Airport Facebook: https://www.facebook.com/ColoradoSpringsAirport
Florida

Key West International Airport (EYW)
Overview: EYW is a Small hub

Lactation Accommodations: The free-standing nursing station is equipped with comfortable seating and an electrical outlet, is ADA accessible and is conveniently located post-security to serve traveling nursing moms in the departure lounge, near the Airlines gates. The lactation pod will be available during all operating hours, except when in use or being serviced.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: http://eyw.com/
Airport Twitter: https://twitter.com/EYW_KWIA
Airport Facebook: https://www.facebook.com/KWIAEYW

Orlando Sanford International Airport (SFB)
Overview: SFB is a Small hub

Lactation Accommodations: Unknown

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://flysfb.com/
Airport Twitter: https://twitter.com/sfb_airport
Airport Facebook: https://www.facebook.com/FlySanford/

Northwest Florida Beaches International Airport (ECP)
Overview: ECP is a Small hub

Lactation Accommodations: Unknown

Bathroom Changing Table: Unknown
Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Twitter: [https://twitter.com/flypensacola](https://twitter.com/flypensacola)

Airport Facebook: [https://www.facebook.com/FlyPensacola](https://www.facebook.com/FlyPensacola)

Punta Gorda Airport (PGD)

Overview: PDG is a Small hub

Lactation Accommodations: Unknown

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
Sarasota–Bradenton International Airport (SRQ)

Overview: SRQ is a Small hub

Lactation Accommodations: Sarasota-Bradenton International Airport — in partnership with Sarasota Memorial Health Care System — has installed two lactation suites providing traveling mothers space for breastfeeding or pumping. The suites can be found on both sides of the security checkpoint, one between ticketing and baggage claim and the other on the concourse near Gate B8. Created by Mamava, the suite is a self-contained, mobile pod with comfortable benches, a fold-down table, an electrical outlet for plugging in a breast pump and a door that can be locked for privacy. The 4-by-8-foot pod is meant for individual use, but can fit more than one person, as well as mothers with babies and other children in tow.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

St. Pete–Clearwater International Airport (PIE)

Overview: PIE is a Small hub

Lactation Accommodations: Privacy Room for Moms Nursing/Pumping or Special Needs Passengers - located in Gates 2-6 to the right of the restrooms. Located next to the restrooms, the room has a comfortable recliner, table, electrical outlet, sanitary wipes, a bench for additional family seating, and a few toys to keep children entertained.

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:
o Be accessible to, and usable by, people with disabilities

Airport Website: https://www.fly2pie.com/

Airport Twitter: https://twitter.com/iflypie

Airport Facebook: https://www.facebook.com/Fly2PIE

**Destin–Fort Walton Beach Airport (VPS)**

Overview: VPS is a Small hub

**Lactation Accommodations:** One 8 foot by 4 foot Mamava pod next to the escalators on the second floor of the concourse, past security. Has benches, a fold-down table, an electrical outlet and a locking door.

**Bathroom Changing Table:** All family restrooms have baby changing stations.

**Lactation Area Requirements Under FAM Improvement Act:**

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Twitter: https://twitter.com/flyvps/

Airport Facebook: https://www.facebook.com/flyvps/
Georgia

Savannah/Hilton Head International Airport (SAV)

Overview: SAV is a Small hub

Lactation Accommodations: Unknown

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:

- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: https://savannahairport.com/

Airport Twitter: https://twitter.com/fly_sav

Airport Facebook: https://www.facebook.com/SAVHHIairport
Hawaii

Hilo International Airport (ITO)
Overview: ITO is a Small hub

Lactation Accommodations: Unknown

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:
- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: http://airports.hawaii.gov/ito/
Airport Twitter: N/A
Airport Facebook: N/A

Ellison Onizuka Kona International Airport (KOA)
Overview: KOA is a Small hub

Lactation Accommodations: Unknown

Bathroom Changing Table: Unknown

Lactation Area Requirements Under FAM Improvement Act:
- Not located in a restroom
- Door that can be locked
- Place to sit
- Table or flat surface
- Electrical outlet
- Sink or sanitizing equipment
- Be accessible to, and usable by, people with disabilities

Airport Website: http://airports.hawaii.gov/koa/
Airport Twitter: https://twitter.com/koa_airport
Airport Facebook: https://www.facebook.com/KonaInternationalAirport/
